Youngstown All Breed Training Club is proud to offer a highly acclaimed Obedience Workshop by one of the top obedience competitors in the country, **Jane Jackson**. With her Labrador Retrievers, Jane competes successfully in obedience, field, and agility and as Jane will tell you, it's the lessons learned from the more difficult dogs that have made her into the trainer she is today. Jane's workshops teach a variety of play, games, and tricks she uses to keep dogs focused and keep their attitudes up. Jane uses food and toys a lot, but also talks about not getting too dependent on them. She also shows how she uses compulsion in training to keep a balanced approach. Jane also talks about cross training for different events, since she competes in obedience, agility, and retriever fieldwork. Working teams should be ready for a full day of work. You will be in the ring a LOT!!
