# LOOKING FOR A NEWSLETTER EDITOR

Due to some exciting (but time-consuming) changes in my personal life, I will need to step down from the newsletter position. I truly appreciate the opportunity to contribute and be a part of the club. Now, we're looking for someone new to take the reins! If you enjoy writing, organizing information, and keeping members connected, this is a great way to get involved.

If you're interested or have any questions, please reach out to Perri Graf or Kathy Hopkins (contact information is on the front page).

Thank you!

Vicky

# LOYAL STUDY UPDATE

FROM YVETTE SHIPMAN

Loyal, a clinical-stage animal health company developing longevity drugs for dogs, has announced that the FDA's Center for Veterinary Medicine has accepted the Reasonable Expectation of Effectiveness (RXE) section of its conditional approval application for LOY-002. The drug aims to extend the lifespan of senior dogs and maintain their quality of life as they age, building on the company's previous RXE acceptance for a longevity drug specifically targeting the short lifespan of large breed dogs.

This is the Loyal Study that my Australian Shepherd Gypsy is in. She has been in the Loyal study for almost a year now. It is a 4 year commitment. She is either receiving the daily pill LOY-002 or a Placebo. Gypsy is 12.5 years old and doing good so far. Her next Study Vet visit is in June.

# TRIBUTE TO LEE JACKSON

In memory of Lee Jackson, a devoted figure in the dog training community and a cornerstone of the Youngstown All Breed Training Club, we pay tribute to a man whose dedication and passion for the sport knew no bounds.

Lee Jackson's journey with the Youngstown All Breed Training Club began amidst humble beginnings, where a group of like-minded individuals gathered at Pioneer Pavilion in Mill Creek Park to train their dogs. Lee's commitment to the club was unwavering, and he spared neither effort nor expense in ensuring its vitality. As the club evolved, so did Lee's role within it, eventually earning him the title of "Mr. Youngstown All Breed." For an impressive 18 years, Lee served as the president of YABTC, leaving an indelible mark on its history.

But Lee's influence extended beyond the confines of YABTC. As president of the Mahoning Shenago Kennel Club, his leadership and vision shaped the broader canine community. His expertise as an AKC judge brought him national recognition, culminating in the prestigious 1977 Midwest D'Ambris award, a distinction sadly bestowed posthumously.

Lee's love for dogs was a family affair, shared with his wife Kay, with whom he competed in obedience trials with Dachshunds and Belgian Sheepdogs. Kay's tenure as Trial Secretary underscored the Jacksons' collective commitment to canine excellence. Their dogs, three of whom earned the title of Companion Dog, were testaments to their skill and dedication.

Yet, amidst his many achievements, Lee was known for his irrepressible sense of humor, exemplified by his decision to register one of his wire-haired Dachshunds with the name "DAMMIT."

In March of 1978, in honor of Lee Jackson, the first Lee Jackson award was given in tribute to him and has become a yearly tradition of YABTC. This award is given to an outstanding and dedicated person who embodies Lee's spirit of devotion and excellence.

.

.

As we reflect on Lee's contributions to our club and community, we are reminded of his enduring legacy. The 2025 Lee Jackson Award, chosen from among past recipients, serves as a testament to his lasting impact. Though Lee may no longer walk among us, his memory lives on in the hearts of all who had the privilege of knowing him, and his legacy continues to inspire us to strive for excellence in all that we do

This year's member....

2025 Lee Jackson recipient is someone who truly embodies the spirit of volunteerism – a person who gives their time, energy and heart to this club without ever asking for anything in return. It is my absolute honor to recognize and congratulate for their unwavering dedication and contributions to YABTC. Our recipient has been a member since March of 2007.

This person may not have a dog to train at the moment, but that certainly hasn't stopped them from showing up, lending a hand, and making a difference. Whether it's assisting in training classes, working behind the scenes in the kitchen during events, or stepping up for committees, they are always there. Their reliability, hard work and positive attitude do not go unnoticed.

She is a member that likes to stay behind the scenes. This member has worn many hats since coming to YABTC, helping as an assistant in obedience classes and sitting on committees, working in the kitchen, being the assistant registration when needed.

And let's not forget one of the sweetest gestures...literally! Every session, our last class that she assists in, is made extra special by homemade treats for the class. It's a small act that peaks volumes about her kindness and thoughtfulness.

Your generosity and willingness to help, no matter the task, make you an invaluable part of this club. On behalf of everyone here, thank you for everything you do! Your hard work does not go unnoticed, and we are beyond grateful to have you as part of our organization. Please join me in giving a big round of applause to Kathy Baca – a true example of dedication, kindness and selflessness!

Congratulations!

# 2025 DOROTHY KECK GOOD SPORTSMANSHIP AWARD

1985 Dorothy Keck was the first recipient to receive the Good Sportsmanship award that was sponsored by the Gaines Dog Food company. When Gaines stopped sponsoring this award, the club felt that this concept was too important to drop; and it was then called the Youngstown All-Breed Good Sportsman Award. When Dorothy died in 2005, the club wanted to honor her lifetime membership and commitment to the club and so renamed the award The Dorothy Keck Good Sportsmanship Award. To some who knew Dorothy, she was your second mother; or maybe in her later years, a second grandmother. To everyone who knew her, Dorothy Keck was a mentor and friend. She loved her dogs, had a great eye for a good one, and just embodied good sportsmanship.

The evident signs of good sportsmanship are showing respect for yourself, your competitors, officials, and judges. Good sports are gracious and generous winners. They acknowledge a win without humiliating their competitors. They are humbly proud of their success and still find ways to compliment others in their class. When it comes to losing, people who are good sports immediately and willingly congratulate the winner. They accept the outcome of performance without complaint and without excuses.

This member has all the attributes of a true sportsman. The member can be described as, encouraging, respectful of everyone and everything, gracious, polite and sincere, supportive, committed, dedicated, genuine, sensitive, and realistic. This member has been active in showing conformation, Obedience, Rally and Agility. Helping also with scent work and judging at fun matches along with cleaning the building. Whenever asked to do something, he will do it with a smile on his face. We could use a few more like him.

I hope that you will join me and congratulate this year's recipient of the Dorothy Keck Good Sportsmanship Award to Brett Sprout .

The Agility Course Test (ACT) is an entry-level agility event designed to introduce beginning dogs and handlers to the sport of agility. Any dog that has not earned an AKC agility title is eligible. ACT Level 1 is open to dogs that have not earned any AKC agility titles. The course will have 10-12 obstacles: 5' aframe, table, tunnels, and jumps (no spread jumps); tire & panel jumps are allowed but not required.

ACT Level 2 is open to dogs that have not earned a title in any AKC Agility class except an ACT1 title. Level 2 courses have 11-13 obstacles, including all of the obstacles allowed in Level 1 plus the teeter, 6 weaves, tire, and 1 spread jump (triple, double, or broad); the dogwalk is allowed but not required.

ACT1J is a jumpers course. The course will have 10-12 obstacles including Bar jumps, panel, tire, and a max of 3 tunnels. ACT2J has 11-13 obstacles and includes the ACT1J obstacles plus 6 weave poles and a max of 1 spread jump.

Refusals & Run-outs are not judged in any of the 8 classes. More than 3 attempts at an obstacle will result in an elimination. The rest of the faults are the same as in the regular agility classes. All passing scores can be under the same judge. Only one dog in the ring at a time.

Dogs may be entered at any of the following jump heights: 4, 8, 12, 16, 20 or 24 inches, handler's choice. A jump height card is not required. Dogs will not be measured.

If you pass both ACT Level 1 tests (2 Qualifying runs earn the title) you may move up and enter Level 2 on the same day. You may also begin at Level 2. Dogs must be 15 months or older and meet the requirements for a regular AKC agility trial (Chapter 1, Section 3), except they do not need to be registered with AKC.

Dogs that are not AKC registered may participate and their performance will be recorded by the AKC under a temporary recording number. This temporary number will be emailed to the owner and must be used when entering subsequent ACT events; it may not be used for other AKC events.
